Sacrificed to Blood Poison.

Those who have never had Blood Poison can not know what a desperate condition it can produce. This terrible disease which the doctors are totally unable to cure, is communicated from one generation to another, inflicting its taint upon countless innocent ones.

Some years ago I was inoculated with poison by a nurse who infected my babe with blood taint. The little one was unequal to the struggle and its life was sacrificed to the fearful poison. For six long years I suffered various ailments, was covered with sores and ulcers from head to foot, and my language can express my feelings of woe during those long years. I had the best medical treatment, several physicians successively treated me, but all to no purpose. The mercury and potash seemed to add fuel to the awful flame which was devouring me. I was advised by friends who had seen wonderful cures made by it, to try Swift's Specific. We got two bottles, and I felt hope again revive in my breast—hope for health and happiness again. I improved from the start, and a complete and perfect cure was the result. S. S. S. is the only blood remedy which reaches desperate cases.

Montgomery, Ala.

Of the many blood remedies, S. S. S. is the only one which can reach deep-seated, violent cases. It never fails to cure perfectly and permanently the most desperate cases which are beyond the reach of other remedies.

S.S.S. For the Blood

is PURELY VEGETABLE, and is the only blood remedy guaranteed to contain no mercury, potash, or other mineral.

"For six years I was a victim of dyspepsia in its worst form. I could eat nothing but milk toast, and at times my stomach would not retain and digest even that. Last March I began taking CASCARET and since then I have steadily improved, until I am as well as I ever was in my life."

TOWN OF SUFFOLK

Rev. J. S. Thomas Accepts Call to Presbyterian Church.

A Valuable Acquisition to Suffolk Presbytery—Frederick Warde's Scenery Car Delayed—Small Bridge Contract—The Citizens To-Day.

(Special to Virginian-Pilot.)
Suffolk, Va., Sept. 22.—Suffolk preachers are to receive an acquisition to their number. The Rev. John Stanley Thomas, of Wilmington, N. C., has decided positively to accept a call to the Presbyterian Church, to become effective October 1.

The church has for some months been without a regular pastor. The Rev. Wm. Chinn, owing to ill health, has been away trying to recuperate. During the interim a number of young ministers have supplied the pulpit temporarily. None of them was so pleasing to the authorities and congregation as Mr. Thomas, who was extended an official call unanimously. It was accepted after Mr. Thomas returned to Wilmington.

In telling of the acceptance of the Suffolk call the Wilmington Star concludes a half column story thusly:

HATE TO LOSE HIM.

"The Suffolk Presbyterian Church is to be congratulated upon securing the services of a man so richly endowed with oratorical powers and particularly blessed with those practical qualities essential to a successful pastor. The Star repeats that Wilmington will give Mr. Thomas up with reluctance."

The Messenger, of the same city, says in part concerning Mr. Thomas:

"The Rev. John Stanley Thomas was born in New Bern, N. C., April 8, 1871, and is the son of the late Judge C. R. Thomas, who was in public life for many years, having been Secretary of State during Vance's administration as war Governor, a judge of the Superior Court, president of the Atlantic and North Carolina Railroad, and a member of Congress. The young minister has two brothers who are in the Presbyterian ministry, and his eldest brother, the Hon. C. R. Thomas, is Democratic member-elect from the Third North Carolina district to the next Congress. On the coming Sabbath he will ask for the severance of his pastoral relations with Tappan Presbyterian Church, subject to the action of the Wilmington Presbytery at its adjourned meeting to be held at Burgaw, on Friday, September 29th. He will then ask for his dismission from Wilmington Presbytery to join Norfolk Presbytery."

Mr. Thomas was prepared for college in the graded and high schools of New Bern, and in 1890 entered the University of North Carolina. He afterwards attended Princeton Theological Seminary, Moody Bible Institute in Chicago, and McCormick Theological Seminary. He was licensed to preach by Albemarle Presbytery in April, 1898.

President J. L. Cunningham, of the Glen Falls Fire Insurance Company, was in Suffolk to-day. He is a congenial old gentleman. He is among the first insurance presidents who ever visited Suffolk. Some of his company's stock recently sold for \$1,600 a share.

SCENERY CAR CUT OFF.
There was a slight side track accident to-day at the Norfolk and Carolina road. A flat car jumped the track, but the train was going slowly, and little damage was done. A car of Frederick Warde Company's scenery was delayed till the next train.

BERKLEY.

Anna, the 5-year-old daughter of Mr. and Mrs. Paul J. Rogers, after a long illness, died yesterday afternoon at St. Vincent's Hospital, Norfolk. The child and its mother were rescued from the fourth story of the hospital during the conflagration Wednesday night by Mr. Rogers, who, when the alarm was given, was watching over the one whose eyelids have been kissed to gentle sleep. Mr. and Mrs. Rogers came to this town about two months ago from New York. The remains of the little daughter will be sent there this afternoon via Old Dominion for interment in the family plot.

Mr. Jessie Swain died yesterday afternoon about 1 o'clock at the home of his mother, corner of Liberty and Twelfth streets, in the 20th year of his age. The remains will be sent to Elizabeth City, N. C., for interment in the family burying ground.

The funeral of the infant daughter of Mr. and Mrs. E. E. Sawyer, who died at their home on Montant avenue Wednesday night, was conducted from the residence yesterday afternoon at 4 o'clock. The interment was in Magnolia Cemetery.

Mr. T. C. Humphries has decided to remain in business at his present stand on Chestnut street until Christmas, inasmuch as the party to whom he was to sell his remaining stock of shoes on the 15th instant failed to meet his engagement. He has just received a new and fresh line of shoes, which will guarantee fit, style and quality to suit each customer. Remember the Patrol shoe—one that he has sold with satisfaction for several years. He has a large supply. His vic-kid and his misses and children's shoes are unsurpassed. See his advertisement for further particulars.

Officers Parker and Sykes raided a disreputable colored dive in the Third Ward Thursday night and locked up three of the inmates, Albert Johnson, George Jennings and Doctor Dick. They were given a hearing yesterday morning before the Mayor, who disposed of the cases as follows: George Jennings, dismissed; Doctor Dick, given ten minutes to get out of town and ordered never to return; Albert Johnson, fined \$5 and costs, and in default of which was given fifteen days in the county hotel. The females of the house were reprimanded and dismissed.

Mr. R. C. Hume, pharmacist of the South Norfolk drug store, has received an appointment to the Central State Hospital, at Petersburg. Mr. Hume is yet quite a young man and has reached a high state of proficiency in the drug business.

NEWPORT NEWS.

FUNERAL—ANOTHER LAUNCHING—FOOTBALL.
The funeral of Mr. Frank Gordon, mention of whose death in Newport News has already been made, took place Wednesday in Newport News, Rev. Dr. A. S. Lloyd, of Norfolk, conducting the services, and the interment was made in Greenwald Cemetery, a beautiful spot near Newport News. The funeral services were held from the residence of Dr. Louis Loeb, a warm friend of Mr. Gordon.

The new steamship El Cid, the fourth and last Morgan liner built by the Newport News Shipbuilding and Dry Dock Company, will probably be launched at the shipyard in the afternoon of Saturday, October 7th.

Manager John Grossley will give Newport News this year the best football team that has ever represented this city. He already has some fine material to select the regular team from and it is understood that he is confident of getting two of the best players on the famous Hampton eleven, which carried everything before it in the South for two seasons, until it met its Waterloo in Richmond, at the hands of the Virginia "Varsity" team, under conditions which worked to the disadvantage of the Crabtown pigskin chasers.

PETERSBURG.

A SHED TO ACCOMMODATE NEW CARS.
Petersburg, Va., Sept. 22.—The Southside Railway and Development Company is to build a large and costly car shed on the vacant lot on the corner of Rome and Channel streets. The building will cost in the neighborhood of thirty thousand dollars, and the contract for its erection was to-day awarded to Mr. George N. James, a contractor of this city.

The building is to be a brick structure and will have a capacity for holding thirty-six cars. It will have an iron truss roof and will be fire-proof throughout. The company has ordered from the Jackson and Sharpe Car Company, of Wilmington, Delaware, fourteen winter cars, which are expected to arrive here in a few days.

These cars will be eighteen feet in length and will be equipped with vestibules.

INSOMNIA ACUTE INFLAMMATION OF THE NERVES. THEY ARE OVERSTRAINED NEAR TO BREAKING AND CANNOT BE NOURISHED BY THE IMPOVERISHED SYSTEM. SLEEPLESS, WASTING NIGHTS LEAVE YOU HAGGARD AND WORN. A DEADLY OPPRESSION SETTLES UPON MIND AND BODY; MADNESS FOLLOWS. NERVE FIBRE MUST BE MADE, NERVE FORCE REGAINED, THEN THE BLOOD WILL NOURISH AND MIND AND BODY RECOVER.

PAINE'S Celery Compound

The World's remedy for disease. Makes nerve fibre, nerve force; keeps the organs of the body in healthy action. The blood is made clean, rich and in full quantity. Muscles and tissues are nourished, invigorated, and the body is healthy.

Rev. T. F. Stauffer, Lincoln, Neb., writes: "For nearly a year past I have felt myself running down. My nervous system was gradually growing worse; I was troubled a good deal with insomnia. I felt that something must be done, and concluded to use Paine's Celery Compound. After the first few days' use I began to improve; now I feel like myself once more. I can sleep well, my nervous system is rapidly improving, and I believe a radical cure is being effected. Paine's Celery Compound is a splendid remedy, and I can conscientiously commend it to the suffering in like cases."
